

St. Francis of Assisi Middle School

AUGUST - Back to School- NEWSLETTER

It is with great pleasure that we welcome all our students and families to St. Francis of Assisi Middle School for the 2023 – 2024 school year. We would like to extend a warm welcome to our returning students and all our new families who will be joining our St. Francis of Assisi Middle School community. We are so delighted to have you as part of our school! We are excited to work in a learning partnership with you and it is our hope that our students and families will experience a year of spiritual, academic, and personal growth.

St. Francis of Assisi Middle School is a very special place where staff, parents and parish work together to provide a high-quality Catholic education for our students through a framework of mutual respect and participation. We strive to foster a warm, welcoming, and inclusive culture, where all students are valued and feel they belong, while at the same time maintaining a high standard for student learning and conduct.

The staff and administration are looking forward to all the teaching and learning opportunities and possibilities that this year holds for our students. Together this will be a great year!

DIVISION FAITH THEME - *Inspired by Christ on a Journey to Encounter, Nurture and Serve.*

Our Division faith theme is "Inspired by Christ on a Journey to Encounter, Nurture and Serve." We are entering the second of a three-year cycle with this theme. We will continue to be guided by these words and will focus on the word Nurture this year. May we be inspired by our encounters with Jesus Christ and nurture them as we, spread our love for him to others around us, and bear witness to the good works of others as we give glory to our Father in heaven. We are truly filled with a renewed sense of hope and love as we return to school this year. [**#togetherweinspire**](#)

Communication is essential to our community, we make every effort to keep parents informed. We make every effort to keep email communication from school administration to a minimum.

- Teachers this year will be using Schoology and teachers at times will communicate with parents via email as well. Please help us by ensuring that we have current email addresses on file.
- A Week at a Glance will be posted on social media accounts, sent to parents via K12 Swift and assigned to the school website dashboard.
